

## **FVHS Vision Statement**

Fuquay-Varina High School is a place where faculty, staff, parents, community, and students are engaged in meaningful relationships based on a foundation of respect and an appreciation for differences while fostering self-aware, and self-sufficient global citizens. Using innovative teaching methods that meet the needs of *all* students, educators are committed to modeling for and cultivating in their students critical thinking skills and a passion for life-long learning. As a result of educator collaboration, students are provided various opportunities for personal growth and academic success. Fuquay-Varina High School students are in a healthy and safe environment with exposure to a variety of curricula and approaches that build a comprehensive life-perspective and results in a happy, healthy, and productive way of living.
